

# EXHIBITION SPACE RESERVATION FORM

Bucharest, May 5th - 7th, 2009

BUCHAREST  
MEETING  
POINT

The organizers of "Barcelona Meeting Point", "Central Europe Meeting Point" and "Bucharest Meeting Point" have now decided to set up the second edition of "Bucharest Meeting Point", to foster real estate business between foreign developers, investors, and industry leaders in Romania, one of the hottest countries in Europe from a property perspective as it is already attracting many international developers and investors.

Based upon the big success of the first edition of BUMP held in Bucharest in 2008, this coming event of "Bucharest Meeting Point" will have the same format, that is, it will deliver:

1) A Symposium with educational sessions on the legal, financing and urban planning aspects of property investment and development in Romania. Also, there will be a series of sessions that will analyze the different Romanian markets from both a product standpoint (office, retail, industrial, residential...) and a geographical one (cities). All this with the collaboration, as it is at BMP and at CEMP, of the leading international trade institutions and associations.

2) Meetings and Contacts in the Exhibition Area (next to the conference rooms) where there will be 9 sq.m. modular stands.

The 50% of the total amount paid will be deducted from your space reservation at BMP'09 (up to € 3,500)
